Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI RAM KRIPAL YADAV)

(a): The National Rural Livelihoods Mission was launched in June 2011. The programme was renamed as Deendayal Antyodaya Yojana-National Rural Livelihoods Mission (DAY-NRLM) in December, 2015.

(b): DAY-NRLM, being a process-intensive programme, is being implemented in a phased manner to cover all states and UTs, except Delhi and Chandigarh over a period of time. At present it is being implemented intensively in 3317 blocks of 510 districts where all components of the programme including Revolving Fund (RF) and Community Investment Fund (CIF) to SHGs are provided. The list of districts which have no intensive blocks or fall entirely in the Urban Areas which are outside the purview of the programme is given in Annexure-I.

(c): Under DAY-NRLM, Revolving Fund and Community Investment Fund have been so far provided to 5.54 lakh and 3.28 lakh SHGs respectively for taking up livelihood activities. The Rural Self Employment Training Institutes (RSETIs) which are supported under the DAY-NRLM have also provided training for settlement through self employment to 11.98 lakh beneficiaries during the period from April 2011 to December, 2016.

(d): The training is given under Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY)-a component of DAY-NRLM-for employment in 329 job roles. Similarly RSETIs provide training for 334 job roles which lead to entrepreneurship and self employment. The training covers all trades which have employment potential as per prevailing market conditions.
